PROFILE

Seeking positions as DP, director, and editor. Strong own style, vision, and desire to achieve the best results possible are built inside me. Looking for jobs as a freelance base and full time.

STYLE

My style is heavily inspired from 70's and 80's years. Almost all my projects have some influences and signs from those eras. I also love the *vintage* look. That is why I own a lot of vintage glass. I am also obsessed with the anamorphic look.
